We need

YOU!

The leaders of the strategic groups in the church have been tasked with getting together a 'Parish Profile' ahead of the vacancy committee being formed. This is essentially a 'window' for prospective candidates to have a look at our Church.

We have been challenged by our Interim Moderator, John Carswell, to try and get something that looks stunning, alive, innovative and which showcases the excitement and strengths of our congregation.

We are a congregation, after all, who 'hit the ground running' when the pandemic started and our lockdown worship has been amazingly inventive and exciting and consistent.

The working group, therefore, would really like to have some information that can work in tandem with the website (which is looking fantastic) and be available as a real visual record of who we are, what makes us tick, and why on earth someone would actually want to come and be our minister.

And it's ourselves, the people, that matter and that give life to a profile such as this. It's not our lovely buildings, or our IT presence that matters, but ourselves, for we are the church.

All you need for this task is a mobile phone that takes videos

And what we need, as soon as possible, is for as many people as possible to send a short video (about a minute max.) Doing the following :

1. Say, your first name. "I'm,.....". (Make sure you're smiling when you do it)
2. Say what you like about worshipping at "Avenale and Drumclog"
3. If you are involved in or lead a group (e.g Guild, Bethany, Craft, Kids ministry.....etc) say something snappy and catchy about that - why you do it, or like it
4. Say something about your hope for the future "What I hope is....."
5. Freestyle - add anything else you like

These 'sound bites' will be really helpful.

Please take your video on your phone in landscape

Please sit with the (day/electric) light coming from in front of you

Forward it to the church website info@avendale-drumclog.org.uk

We will use as many of these as we can - but as we are trying to keep it 'snappy' we'll only be able to use what fits. But we need as much 'footage' as possible to make this work.

Your Church Needs You.

Any questions. - send us an email at info@avendale-drumclog.org.uk

Thanks so much!

Deadline - Friday 14 May
