Church family news

Congratulations to Tom Palmer who turned 80 on Thursday 7th April. Tom always has smile for everyone and is so willing to help out when needed. Happy Birthday Tom!

News from Laurie:

Laurie would like to thank those who donated to her sponsored steps during March in aid of Cancer Research. She raised the magnificent sum of £1012.00 (incl gift aid) Well done Laurie!

Craft Club News

Also from Laurie- The Craft Club has now finished for the season. It will resume in September. Watch this space for further info. I'm sure everyone would like to give Laurie a huge thank you for all the ways in which she serves God in our fellowship - for the work with the craft club and the ministry of organising flowers to be delivered to people in need of comfort. It is Laurie who is behind the floral displays that are seen around the church.

DEC donation

The trustees of the church decided to make a donation of £4132.00 to the Disasters Emergency Committee's Ukraine Humanitarian Appeal.

Great news! Angus & Murray's radio show is proving to be very popular. The station's management are delighted that their listening figures are so high.
