A very warm welcome awaits you at either Avendale or Drumclog church

Church may seem quite different in format to what you remember, but our new minister Calum Stark has been very anxious to excite us with the truth of our faith and the desperate need in our society for people to find a sure and solid foundation on which to build their lives. We have been delighted to see new people coming through our doors and familiar faces reappearing since our period of isolation.

Due to Covid restrictions, the welcome team was reduced to just a few people. Due to the increasing numbers coming to the services we now need to be back at full welcoming power! Please call Drew on [REDACTED] to rejoin the team at Avendale or if you wish to join for the first time.

For Drumclog, speak to Marshall or Mary Harkness.

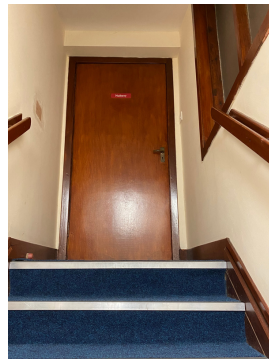

HHI Health Help International

We have supported this very worthwhile charity for many years. It is fascinating to see the work that the money raised goes towards. You can find out more of the link between **A+D** and **HHI** on the church website or by clicking the following link:

https://www.avendale-drumclog.org.uk/Groups/352646/Health_Help_International.aspx

One of the ways you can support HHI is by donating all clothing, all household textiles such as sheets, blankets, towels and curtains. Handbags and belts and paired footwear. You can bring them to the church when it's open e.g. the Haven Coffee Hub on a Monday morning. Find the set of stairs as shown up to the **Nutberry Room**. There you will find a large cardboard box in a marked cupboard. Thank you from the HHI team.

Family News

Baptism

Baby Andrew was baptised at Drumclog on Sunday 1 May and smiled throughout the service. James and Emma Scott were very proud parents.

There was a technical glitch with the recording of the service last Sunday. A number of people said they had been really challenged by the message and wanted to listen to it again. So for those who got in touch and for those who may have missed it, Calum has made a new audio recording on our YouTube channel:
