9th October 2022

What an encouraging service and lunch we had to celebrate the 250th anniversary of Avendale Church. There was a sense of gratitude for the past - for the faith of our forefathers - whilst palpable excitement about what God is doing now and will do in the future.

South Lanarkshire Council invites you to a Civic Reception dinner to celebrate the 250th Anniversary of Avendale Church building in the beautiful environment of Chaterhault Country Park on Thursday 24th November at 7pm.

42 spaces are generously available so if you would like to attend, please submit your name on Sunday morning (along with any dietary requirements). A draw will take place after the service . If you are unable to attend on Sunday but would like to be considered, let someone know who will be able to enter your name.
