The cost of living crisis is affecting millions across the UK with most of us needing to keep the heating off for longer, so along with other churches and organisations, Avendale is going to keep the building open to the public on Monday afternoons when it is nice and cosy following **Haven & Bugglets**.

There is a rota of folk to be present, but if you have time, do pop in to chat to people, maybe bring a board game or a pack of cards or a newspaper.

Avendale Hall

Church for those who like a more relaxed contemporary worship style. Great for coming along to on your own or with friends. Coffee/shakes served on arrival. If you feel a nudge towards coming - just come.

This Saturday, the boys will be meeting at the later time of 9am for their Bacon & Blethers. No need to book...just turn up!

Exciting times..... we are about to enter a very busy time of activity.....things to invite people to ...Christmas Fair....Haven Heat...Christmas Eve services.....etc

Take the opportunity to invite people to these and ultimately we want to introduce people to Jesus and remember the reason for the season.
