More exciting News

We are producing a short 6 week podcast series exploring some of the ideas and themes on the church that we've been looking at in the last few months.

These programmes will be available each **Monday** from 13 April to 25 May (and remain there for posterity)

Each programme will last about 15 minutes and contain a reflection on a Bible passage, some chat about it and a piece of music that might stimulate your thoughts.

Be sure to tune in!
